22 November 2016

**ANNOUNCEMENT – EXERCISE OF OPTIONS**

The Company hereby advises that on 8 November 2016, a shareholder exercised a total of 1,000,000 November 2018 \$0.003 options, thereby raising proceeds for the Company of \$3,000.

The present issued capital of the Company comprises as follows:

- 478,596,133 ordinary fully paid shares
- 157,363,541 options to subscribe for ordinary f.p. shares at \$0.003 on or before 30/11/18
- 15,000,000 options to subscribe for ordinary f.p. shares at \$0.01 on or before 30/11/18

The above numbers are prior to the 1 for 20 consolidation of the Company's share capital agreed to by shareholders on 21 October 2016. The agreed consolidation will be implemented upon ALL optionholders agreeing to the variation of the terms and conditions pertaining to their options, which is yet to occur.

Yours faithfully,  
**CORONA MINERALS LTD**
