\$437,000 RAISED FROM NON-RENOUNCEABLE RIGHTS ISSUE

Corona Minerals Ltd (“Corona”, “the Company”) is pleased to announce the successful completion of its recent 1 for 1 non-renounceable rights issue, in all shareholders subscribed for a total of 43,773,889 shares at \$0.01 each, raising a total of \$437,739 before costs of the issue.

Proceeds from the capital raising will be used to continue exploration on Corona’s exciting Queenstown Project on the West Coast of Tasmania and to provide working capital for the Company.
